"What Home Means to Me"

Please write a short paragraph (100 words or less) explaining your poster.

Without help from housing, my family would be living in a tent. When driving down the road of life, you want to make sure you are driving in the right direction, even though you might hit some bumps and curves on the way. Every family deserves to be happy and be given a chance to live a better life. Home is where the heart is, and everyday we thank God for housing because you are like angels helping others in need. Home is a place of comfort when you have nowhere else to go.
