"What Home Means to Me"

Please write a short paragraph (100 words or less) explaining your poster.

What home means to me? Home is where I feel safe and secure. Home is my getaway. Home is a place where I can go to. It's my beginning and endpoint. Knowing that I'm fortunate enough to have a place, a home to come to every night is a blessing. Many people don't have homes so knowing that I do makes me happy. My family is at home, my bedroom is at home, love is at home. I've learned not to take my home, my family for granted because not many people are as fortunate as I am. This is what home means to me. Family, laughter and care.
